2015 Adult Competition Rules

Colorado Junior Karting Club

Local option rules for the Adult racers

The rules set forth below will govern each ADULT competition in the Colorado Junior Karting Club series.

SPIRIT & INTENT

The rules and guidelines in this amended rulebook are subject to the terms “Spirit and Intent”. The guidelines herein are not road maps of legal loopholes so that competitors may “cheat legally”. Any policy, rule or procedure that has been in use for 90-days by the club whether written or unwritten, will not be protestable or appealable based solely on semantics, and shall be interpreted based on the spirit and intent of said policy, rule or procedure. The club is not, and does not wish to become, an organization dealing with internal or external litigation and technicalities.

SPORTSMANSHIP

The club competitors, crew and officials are the guests of host racing venues. As guests and professionals, we are expected to exhibit the highest level of sportsmanship. Karting is and will be a family sport; any actions by any competitor and/or crew member at any Club event or function that could have adverse effects on the insurance of the host facility, is detrimental to the Club or displays flagrant misconduct, will be subject to a review by the Race Director and at their discretion a penalty could be assessed, up to and including ejection from the event, disqualification of participant, future suspension of participant and/or crew member.

RULES

The rules of the IKF as set forth in the IKF Competition Regulations and Technical Manual and as amended by the Club herein shall govern each competition of the Club series. In the event of a conflict between the IKF rules and the amendments of the Club, the Club amendments shall govern.
